Marine and Coastal Sciences
School of Environmental and Biological Sciences

RUTGERS UNIVERSITY
Cooperative Extension
New Jersey Agricultural Experiment Station

What if you could help drive a robot around the world ...underwater?

Join the NJ 4-H STEM Ambassadors and Rutgers Department of Marine & Coastal Sciences on a wild mission to circumnavigate the global ocean using cutting-edge underwater tech.

Find out why college students are leading the charge, and how you can be part of this epic adventure.

Are you in?

The Sentinel Mission: A Rutgers 4-H Teen Cafe
